

## Tour de Furness - 5 mile Ride

The 5 mile route is the ideal choice for novices & families with small children who would like to take part in the Tour de Furness. The route sets off from Roose Conservative Club, but quickly takes the riders off the public highways, past the waterworks treatment works & onto the greenway towards Rampside. At Rampside, near to the Concle Inn, there will be a reception and refreshments for children, before they turn around and make the journey back to Roose Conservative club.

1. Turn left out of Roose Conservative Club, then left at the roundabout on to the A5087 to Rampside.
2. Carry on for 500 yards, and turn right towards the United Utilities water treatment works.
3. At the treatment works, turn left along the cycle path to Rampside.

**AT RAMPSIDE, CLOSE TO THE CONCLE INN,  
THERE WILL BE A RECEPTION AND REFRESHMENTS  
FOR THE CHILDREN.**

4. Following a short rest, return to the Roose Conservative Club by the same route.
